

6 AREAS OF TRANSITION THAT AN AUTISTIC STUDENT MIGHT FIND DIFFICULT:

Leaving the house again on a regular and daily basis

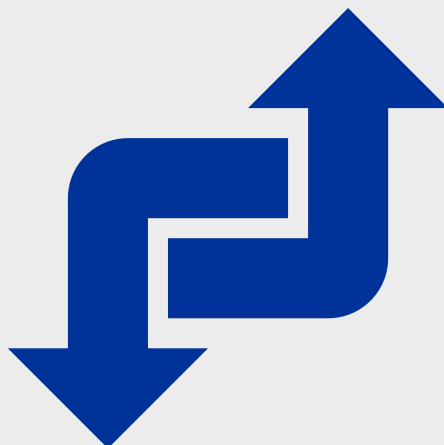

Going to bed / getting up in the morning at a new time

Relationship transitions e.g. separating from their parent/carer

Moving from one classroom to another

Completing consecutive tasks with fewer breaks

Learning in a space with an increased number of people

This information is taken from our Covid -19 Information Centre where you can find below our latest Tools for Teachers Covid-19 Edition booklet and a wealth of support materials from our partners across England.

All of our Covid-19 content is free to access and download here:
